

Adding a New Amenity

To add a new amenity, in the list of amenities page, click the **New Amenity** button. Provide the details of the amenity in the respective fields.

The screenshot displays the 'Baguio Teachers Camp' Admin interface. On the left is a sidebar menu with options: Dashboard, Bookings, Referrals, Reports, Setup, Add Ons, Amenities, Discounts, Fees, Logs, Rules, Settings, Unit Types, Users, and Units. The main content area is titled 'Admin / Amenities / New Amenity'. It contains a form with a 'Name*' text input field and a 'Description' text area. At the bottom of the form are two buttons: 'Create Amenity' (highlighted in green) and 'Cancel'. The footer of the page indicates 'Powered by Active Admin 2.5.0'.

When done, click the **Create Amenity** button.
