

Viewing a Role

In the list of roles page, select a role and click **View**.

The screenshot displays the 'View' page for the 'Accountant' role in the Baguio Teachers Camp Admin system. The interface includes a sidebar menu on the left with options like Dashboard, Bookings, Refunds, Reports, Setup, Add Ons, Amenities, Discounts, Fees, Logs, Roles, Settings, Unit Types, Users, and Units. The main content area is titled 'Admin / Roles / Accountant' and features a green 'Edit Role' button in the top right corner. Below the breadcrumb is the 'Role information' section, which contains a table with the following data:

Name	Accountant
Description	Manages finances and reports.
Created At	September 15, 2021 10:00
Updated At	September 15, 2021 10:00

Below the role information is a 'Permissions' table:

Module	Actions
Add Ons	Lists all add ons, View a single record of add on
Admin Users	Change My Password
Amenities	Lists all amenities, View a single record of amenity
Bookings	Approve, Remove Others Approval, Lists all bookings, View a single record of booking
Discounts	Lists all discounts, View a single record of discount
Fees	Lists all fees, View a single record of fee
Payments	View a single record of payment
Refunds	Lists all refunds, View a single record of refund
Reports	Accommodation Report, Cash Flow Report, Statement Of Account
Unit Types	Lists all unit types, View a single record of unit type
Units	Lists all units, View a single record of unit

To the right of the permissions table is a 'Users Assigned' section with a table:

Email
accountant@belleluna.com

At the bottom of the page, it states 'Powered by Active Admin 2.9.0'.
